What To Expect at Track Meets

Whether it's indoor season or outdoor season, there are certain things you should expect as a parent and athlete when you attend meets:

- **You are responsible for any registration deadlines and familiarizing yourself with all meet information.** You will be provided a listing of recommended track meets for the upcoming season. Our Team Manager sends out reminders of upcoming meets but ultimately it is your responsibility to register your athlete, get them to the meet on time, and read the information provided, in its entirety.
- **Be flexible with the meet schedules.** Some meets are very long and take a while to get through all the heats. Be aware of the schedule and understand that a rolling schedule means they will run one event immediately after the other, not according to set times.
- **Your event coach may not attend every meet.** He or she may not be at some of the meets you attend. It will then be your responsibility to help your athlete navigate the meet.
- **Lend a hand!** There are a lot of tasks to be completed surrounding our meets and events. There will be opportunities for you to help out and it's nice to have some extra hands and muscle. Please volunteer if asked to do so by Coach, our Team Manager or Volunteer Coordinator. We appreciate it very much!

**"YOU DON'T JUST WAKE UP FASTER."
